APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.009 cubic feet per second.

Actual construction work shall begin on or before April 27, 1925

Proof of commencement of work shall be filed before May 27, 1925

Work must be prosecuted with reasonable diligence and be completed on or before April 27, 1926

Proof of completion of work shall be filed before May 27, 1926

Application of water to beneficial use shall be made on or before April 27, 1927

Proof of the application of water to beneficial use must be filed with State Engineer on or before May 27, 1927

Proof of later filed

Proof of completion of work filed May 11, 1926

WITNESS MY HAND AND SEAL this 27th day of March 1925.

Oct-21-1929

to comply with provisions of permit.

Gu. W. Malone

State Engineer.
